NATURE
Classical astrological arithmetic (Balarishta, Arishta-bhanga, maraka, badhaka, chhidra grahas, sensitive points, dasha and transit screening). It is not a medical, actuarial or factual prediction of death, illness or lifespan, and must not be used for any health, insurance or personal-safety decision.

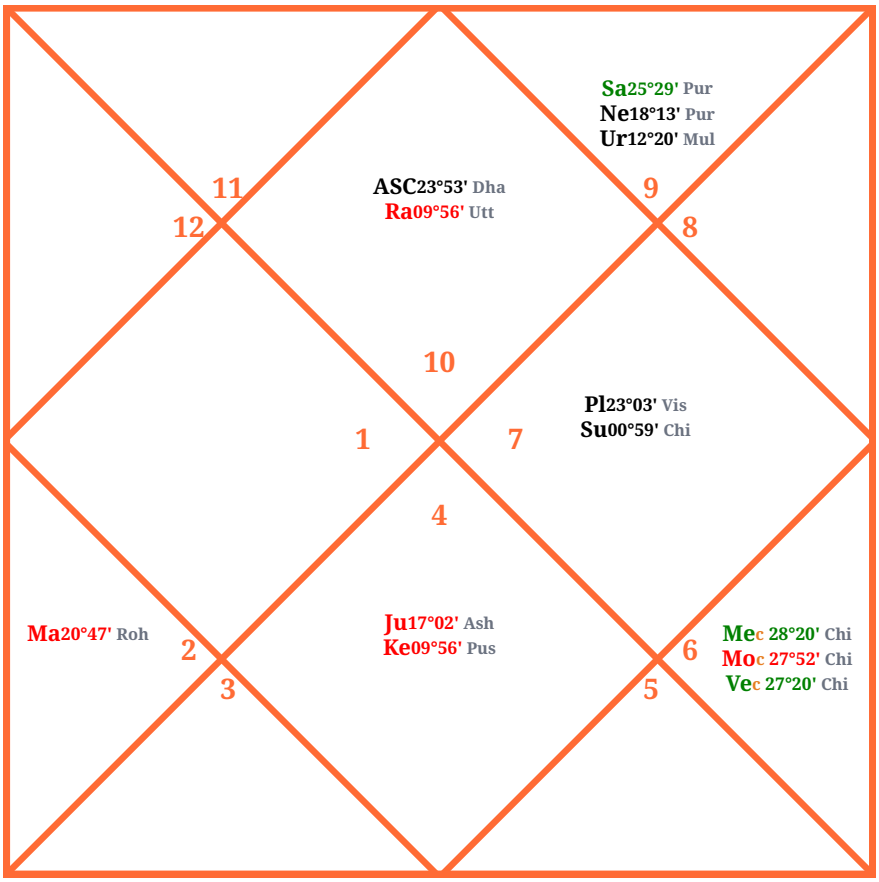

DISCLAIMER
A convergence screening of classical longevity-sensitive factors. NOT a death prediction, date or certainty.

CAUTION
This is a convergence-based screening of classical longevity factors for study and remedial focus — never a deterministic death prediction.

ABOUT THIS DOCUMENT

This report is an astrological interpretation computed from the birth details shown. It describes tendencies read from a chart by classical and modern methods; it is not a prediction of fixed events, and it is not medical, legal, financial or psychological advice.

Nature: Classical astrological arithmetic (Balarishta, Arishta-bhanga, maraka, badhaka, chhidra grahas, sensitive points, dasha and transit screening). It is not a medical, actuarial or factual prediction of death, illness or lifespan, and must not be used for any health, insurance or personal-safety decision.

Disclaimer: A convergence screening of classical longevity-sensitive factors. NOT a death prediction, date or certainty.

Caution: This is a convergence-based screening of classical longevity factors for study and remedial focus — never a deterministic death prediction.
