Meaning

The rulers of your profession and your fortune sit together. This is among the most favourable career combinations: work and good fortune tend to arrive through the same door, and effort in your field is unusually likely to be rewarded.

Active now	Yes
Activity	This combination rules one of your supportive periods, so it is live rather than dormant.

Hamsa Yoga

Planets	Jupiter
Strength	81
Band	Strong
Meaning	Your judgement and the trust others place in it are a genuine professional asset. Advisory, teaching and guidance-led work tends to come naturally.
Active now	No
Activity	This combination is present in your chart but does not rule any of the periods identified in this report, so it works quietly in the background.

Active	Dharma-Karmadhipati Yoga

Positive	82	Dharma-Karmadhipati Yoga is present in your chart.
Positive	81	Hamsa Yoga is present in your chart.

Family balance

Demands

Demand	Detail
A change of base	Your strongest professional openings are connected with a change of location. That is an opportunity, and it is also a household decision rather than only a career one.

> Your professional indications would ask a change of base of your household. None of this is a prediction about your family life — it is what the career side of your chart would want if you followed it fully, and the balance is yours to set.

Strategy

Prioritise

- Aim your next move at creative & design or government & administration — these are where your chart's support is concentrated.

Skills

- Lead with entrepreneurship, negotiation and research — these are the qualities your chart supports most.
- The area worth deliberate work is job satisfaction. It is your lowest reading, which makes it where effort buys the most.

Decisions

- You can afford to build depth in one direction rather than hedging across several.
- If you do move for work, the stretch from 24/08/2054 to 30/06/2055 is the period your chart supports most. Relocation and timing agree here, which is worth waiting for.

Avoid	—

> This guidance is drawn from the readings above rather than from general advice, which is why some of it will read as obvious and some of it will not.
