Evidence

Impact	Strength	Detail
Positive	98	In D4, the house of fortune away from the birthplace is well supported.
Positive	98	Long journeys and opportunities away from home are well supported.
Positive	92	The house of movement and short journeys is well supported.
Positive	86	Distant and foreign environments are well supported.
Positive	78.7	North appears most supportive for trade, learning and communication.
Positive	76	The current main period belongs to a planet that governs movement or distant places.

Impact	Strength	Detail
Positive	72	The D4 ascendant lord sits in a house of distance and settlement away from the birthplace.
Positive	69.5	In D4, the house of distant and foreign residence is well supported.
Positive	68.8	North-East is a workable second choice, favouring learning, stability and inner growth.
Positive	68.5	2029 looks like your strongest stretch for making a move.
Negative	60.1	South-East is the least supported direction for you — approach moves that way with more planning.
Positive	53.2	The current sub period belongs to a planet that governs movement or distant places.
